Requirements

The Minor

The minor in Sport Management is an interdisciplinary program that studies various aspects of administering a sports organization or program, including: legal issues, sociological concerns, and a variety of management functions. Students contemplating graduate school in Sport Management or a career in athletic management would be well suited for this program.

Completion of the program will be indicated on the student's transcript with the notation, "Minor in Sport Management."

Students interested in the minor should contact the Director of the Sport Management minor.

The requirement for the minor in Sports Management is the completion of 24 credit hours as follows (15 of which must be upper division):

A. Required courses:
