Course Numbering and Abbreviations

Course Numbering

Course numbers at Trinity University consist of four digits. The first digit indicates the level of the course: 1 or 2 designates lower division, 3 or 4 designates upper division, 5 or 6 designates graduate level. The second digit indicates the value of the course in semester hours (credit hours). The third and fourth digits identify specific courses within the subject area.

Thus, a course numbered 1320 would be defined as follows:

<table>
<thead>
<tr>
<th>1</th>
<th>3</th>
<th>20</th>
</tr>
</thead>
<tbody>
<tr>
<td>(lower division)</td>
<td>(3 credit hours)</td>
<td>(specific course)</td>
</tr>
</tbody>
</table>

Faculty advisers or personnel in the Registrar’s Office can assist with explanation of course number meanings.
